**Subject: Public Informational Presentation for
WIS 179
Crawford County**

Project: 5870-02-01/81
WIS 179, Kickapoo River Bridge
Eastman - Steuben
Crawford County

DEAR SIR OR MADAM,

The Wisconsin Department of Transportation (WisDOT) will host a virtual public presentation in place of our typical public involvement meeting to present proposed improvements to the WIS 179 bridge over the Kickapoo River in Crawford County.

This presentation will provide an overview of the design and give the project stakeholders an opportunity to comment on the project, scheduled for construction in 2023.

Presentation Location:

<https://wisconsin.gov/Pages/projects/by-region/sw/wis179-bridge/default.aspx>

Date: Thursday, July 16, 2020, 1:00 PM

The project is designed to replace the existing bridge over the Kickapoo River and replace structure approaches.

Exhibits will be available on the project website for you to review beginning at 1:00 PM on Thursday July 16, 2020. WisDOT representatives contact information will be available on the project website to submit comments or concerns. We look forward to hearing from you starting on Thursday July 16, but if you are unable to view the presentation, please contact me at (608) 246-3861 or at derek.potter@dot.wi.gov with your questions or concerns. You can also visit the project website located at <https://wisconsin.gov/Pages/projects/by-region/sw/wis179-bridge/default.aspx> for additional information.

Sincerely,

Derek Potter
