

Wisconsin Department of Transportation

DTSD - SW REGION
2101 Wright Street
Madison, WI 53704-2583

FACT SHEET

WIS 193
WIS 60 to WIS 80
Project ID: 5555-02-33
Richland County

January 2021

Project Limits

This project begins at the intersection of WIS 193 and WIS 60 and continues to the intersection of WIS 193 and WIS 80. The length of the project is approximately 1.45 miles.

Purpose

This project is being undertaken to resurface WIS 193 to extend the service life and improve safety.

Project Concept

The roadway will have a 2-inch mill with a 2-inch overlay. Paved shoulder width will be extended to 5-feet which will replace the existing gravel shoulder. Centerline and shoulder rumble strips will be installed, and pavement markings will be upgraded to wet reflective pavement markings.

Traffic Control

WIS 193 will be closed during construction and will utilize WIS 60 and WIS 80 as a detour route for both north and southbound traffic.

Schedule

Plans Completed – **November 2021**

Construction – **Summer 2022**
