

# WIS 33 Village of West Baraboo and City of Baraboo Sauk County Public Involvement Meeting Virtual Presentation July 2020

The Wisconsin Department of Transportation (WisDOT) is conducting a virtual public involvement meeting to present project information for WIS 33 in the Village of West Baraboo and the City of Baraboo.

A virtual presentation is available for view at <https://wisconsin.gov/Pages/projects/by-region/sw/wis33-west-baraboo/default.aspx>

The website will have a PowerPoint presentation as well as project displays showing the proposed preliminary design for the projects. All persons having an interest in the project are encouraged to view the website and provide comments to the project leaders. Your comments assist us in developing a project that will serve the needs of the traveling public as well as the needs of the local community. Your input is welcome and appreciated throughout the design process. Comments received prior to September 3, 2020 will be included in the environmental document.

## WIS 33 / Linn Street Village of West Baraboo Proposed Project Plans:

- The project limits are from Mulberry St. to the east Village limits.
- Replace the failing concrete pavement.
- Change from a four-lane roadway to a two lane roadway with a center two-way left turn lane.
- Replace sidewalk and curb ramps.
- Add street lighting.
- Replace sanitary lines and the water main.

## WIS 33 / Eighth Avenue and Eighth Street City of Baraboo Proposed Project Plans:

- The project limits are from the west City limits to County T (Taft Avenue).
- Replace the failing concrete pavement.
- Change from a four-lane roadway to a two lane roadway with a center two-way left turn lane.
- Replace three traffic signals.
- Replace sidewalk, as needed, and curb ramps.
- Replace sanitary lines and the water main.

## Traffic impact

WIS 33 will be detoured during the planned 2024 construction season.
