Utility Coordinators: please note, I was just informed by Purchasing that the vendor information forms have been updated.

When you send a new utility company to add to TUMS – please use the below versions (or check this website for the most current versions) of the vendor information forms to send to them:

<http://dotnet/purchasing/guidelines.htm>

In the right column named “Quick links” you will find the most current versions of the Vendor information forms for TIPS / WisMART.
