April 19, 2022

NOTICE TO ALL CONTRACTORS:

Proposal #39: 1016-01-62, WISC 2022379
Tomah - Portage
24th Avenue to Mirror Lake Bridge
IH-90
Juneau and Sauk Counties

Letting of May 10, 2022

This is Addendum No. 01, which provides for the following:

Special Provisions:

Revised Special Provisions	
Article No.	Description
7	Utilities

Schedule of Items:

Revised Bid Item Quantities					
Bid Item	Item Description	Unit	Old Quantity	Revised Quantity	Proposal Total
616.0100	Fence Woven Wire (4.FT)	LF	132,800	2,400	135,200

Plan Sheets:

Revised Plan Sheets	
Plan Sheet	Plan Sheet Title (brief description of changes to sheet)
28	Added 2,400 LF of Fence Woven Wire to Miscellaneous Quantities
38	Updated Location of fence replacement in NW quadrant near CP Railroad. Shows location of new fence STA. 1826+94A to STA. 1850+27A.

The responsibility for notifying potential subcontractors and suppliers of these changes remains with the prime contractor.

Sincerely,

Mike Coleman

Proposal Development Specialist
Proposal Management Section

ADDENDUM NO. 01

1016-01-62

April 19, 2022

Special Provisions

7. Utilities.

Replace entire article language with the following:

This contract comes under the provisions of Wisconsin Administrative Code Chapter Trans 220.

Some of the utility work described below is dependent on prior work being performed by the contractor at a specific site. In such situations, provide the engineer and the affected utility a good faith notice of when the utility is to start work at the site. Provide this notice 14 to 16 calendar days in advance of when the prior work will be completed and the site will be available to the utility owner. Follow-up with a confirmation notice to the engineer and the utility owner not less than three working days before the site will be ready for the utility owner to begin its work.

Alliant Energy – Overhead Electric – The following are not anticipated to conflict with construction:

- Pole locations 1515A-1532A, 1936, 1990, 2100-2101, and 2122-2125 are close to existing/new fencing but appear to be well behind and no conflict.

AT&T Legacy – Communication – The following will conflict with construction:

- Marker poles are close to existing/new fencing and some will conflict with the fence replacement. AT&T Corp. will coordinate with the state contractor to document the marker poles that will be removed due to the fence removal and replacement. Once the fence has been replaced, AT&T will have their contractor come back and replace the marker poles that have been impacted. The AT&T contact is Todd Norman at 608 556 7199.

ATC Mgmt. Inc. – Electric Transmission – The following will conflict with construction:

- There are 69 kV and 345 kV transmission facilities within the project limits. ATC will remove and replace existing electrical grounds (attached to WisDOT fence) at approximately every 4,000 feet on the newly installed fence within a 24-hour period for each location. ATC coordination with the WisDOT Contractor is necessary to maintain a safe reinstallation of ATC assets to the new fence. The WisDOT fence contractor will need to coordinate with ATC on their schedule for replacing the fence. The fence contractor will need to provide notice of construction activities to ensure proper coordination of ATC contractors to replace the electrical grounds in a safe and timely manner. The ATC contact is Robert Weisheim at 262-722-0289.

Northern Natural Gas Company (NNG) – Gas/Petroleum – The following are not anticipated to conflict with construction:

- Two pipelines cross IH 90/94 at approximately Station 2010.

A NNG representative shall be present at all times when excavation work is being performed within 25 feet of the pipelines. Contact Lenny Klass at 608 778-8514 or Leonard.Klass@NNGco.com at least 48 hours in advance to arrange for an observer to be on site.

The following utility owners have facilities within the project area; however, no adjustments are anticipated:

- **City of Wisconsin Dells – Sewer**

- **Frontier Communication**
- **Level 3 Communication**
- **Oakdale Elec Coop**
- **Reedsburg Utility Commission – Communication**
- **Rogers Telecom**
- **Village of Lake Delton – Sewer**
- **Windstream KDL, LLC**

stp-107-065 (20080501)

Schedule of Items

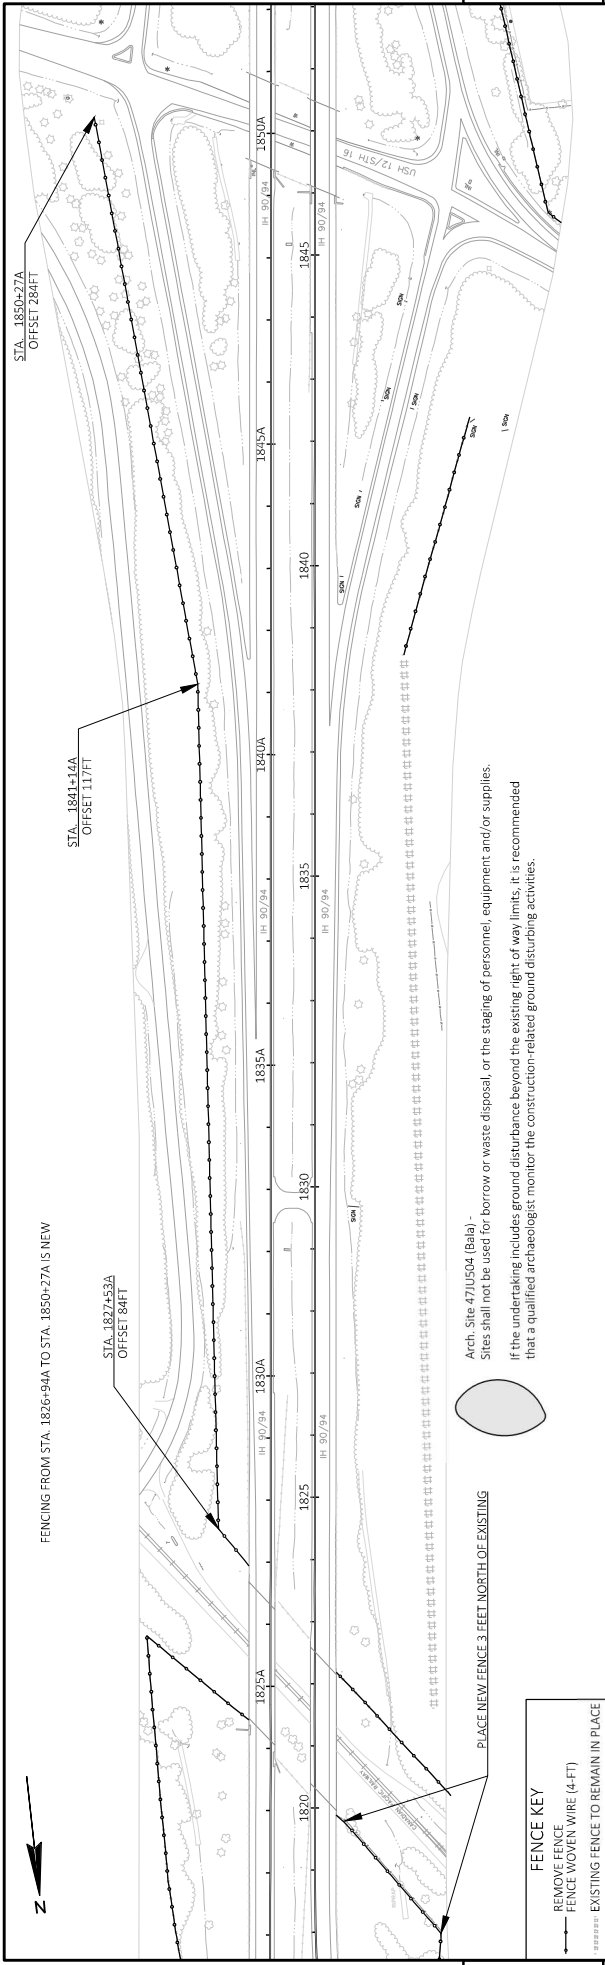

Attached, dated April 19, 2022 are the revised Schedule of Items Page 2.

Plan Sheets

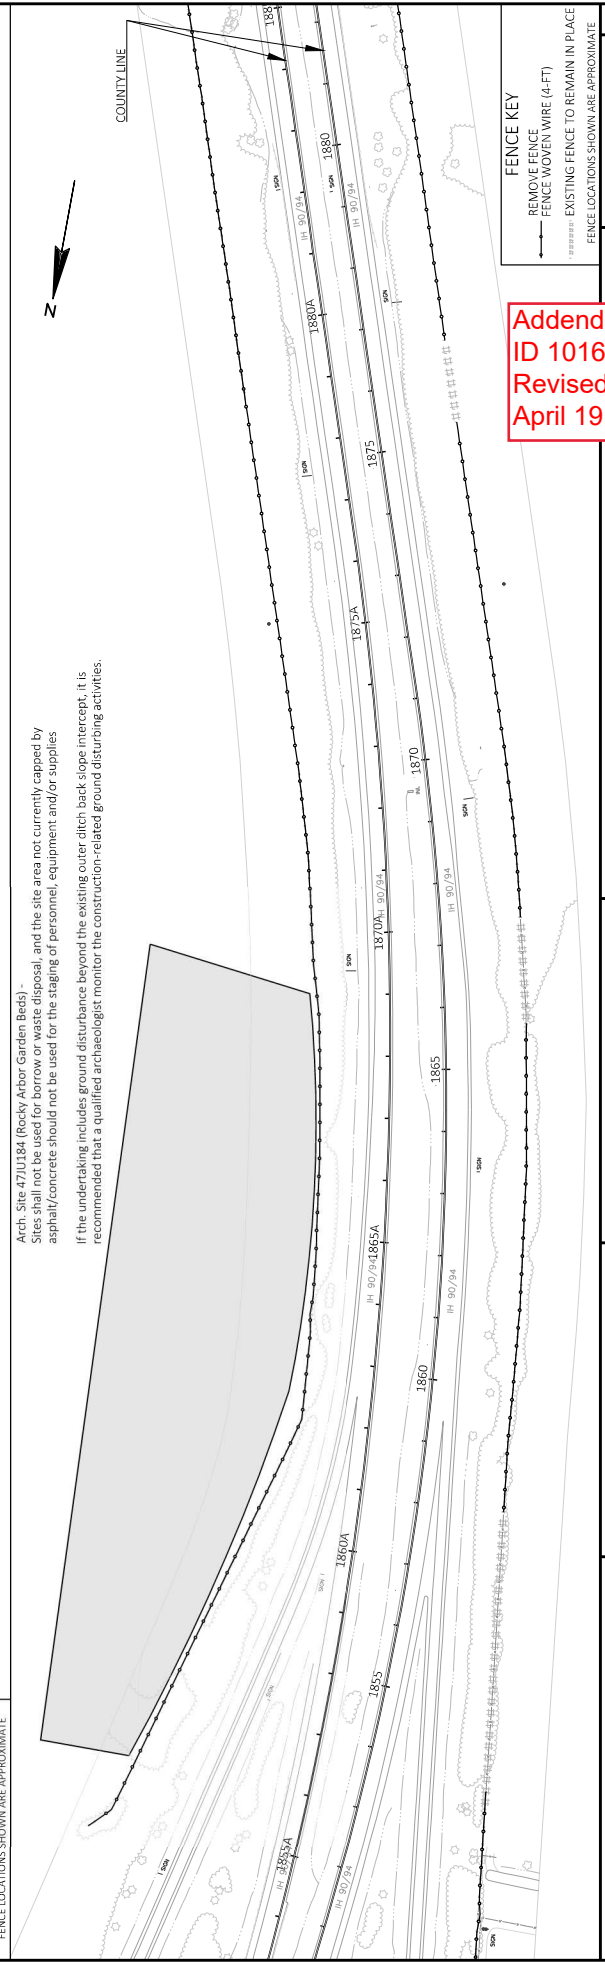

The following 8½ x 11-inch sheets are attached and made part of the plans for this proposal:
Revised: 26 and 36.
