**January 3, 2025**

**Special Provisions**

**12. Material Transfer Vehicle**

*Replace entire section titled **A Description** with the following:*

**A Description**

This special provision describes providing Material Transfer Vehicles (MTV) and operators for use during HMA paving operations of the travel lanes as shown in the plan or as directed by the engineer.

*Replace entire section titled **C Construction** with the following:*

**C Construction**

Ensure that an operator stays with the MTV at all times during moving operations. Keep the paver's hopper full at all times and the MTV's hopper filled such that the conveying augers are never exposed to avoid segregation of the material. Placement of HMA pavement in the travel lanes will not be allowed without the MTV. Tie ins of intersections, shoulders paved separately, and other non-travel lane areas will not require the use of the MTV.
