

TABLE OF CONTENTS

Chapter 3: Earthwork and Bases

Section 3-10 Clearing and Grubbing

[3-10.1..... General](#)

[3-10.2..... Oak Wilt](#)

Section 3-15 Removing Miscellaneous Structures

[3-15.1..... General](#)

[3-15.2..... Abandoning Wells](#)

[3-15.3..... Signs And Other Traffic Control Devices](#)

[3-15.4..... Local Road Identification Signs](#)

[3-15.5..... Mailboxes](#)

[3-15.6..... Underground Storage Tanks](#)

Section 3-20 Roadway and Drainage Excavation

[3-20.1..... General](#)

[3-20.2..... Preparing Roadway Foundation](#)

[3-20.3..... Salvaged Topsoil](#)

[3-20.4..... Excavation Below Subgrade](#)

[3-20.5..... Grading the Roadway and Intersections](#)

[3-20.6..... Rock Excavation](#)

[3-20.7..... Finish Grading](#)

[3-20.8..... Finishing Roadway](#)

[3-20.9..... Surplus of Unsuitable Material](#)

Section 3-25 Structure Excavation

Section 3-30 Embankments

[3-30.1..... General](#)

[3-30.2..... Compaction Methods](#)

[3-30.3..... Compaction Equipment](#)

[3-30.4..... Embankment Slopes](#)

Section 3-40 Granular Subbase Course

Section 3-45 Dust Control

[3-45.1..... Dry Application](#)

[3-45.2..... Application in Solution](#)

Section 3-50 Rubblizing Concrete Pavement

[3-50.1..... General](#)

[3-50.2..... Preparation of the Concrete Surface](#)

[3-50.3..... Drainage](#)

[3-50.4..... Utilities](#)

[3-50.5..... Rubblizing Equipment](#)

[3-50.6..... Breaking the Concrete](#)

[3-50.7..... Compaction](#)

[3-50.8..... Filler Aggregate](#)

[3-50.9..... Partial-Width Construction](#)

[3-50.10... Rain](#)

[3-50.11... Construction Traffic](#)

[3-50.12... Asphaltic Overlay](#)
