

TABLE OF CONTENTS

Chapter 6: Miscellaneous Construction

Section 6-10 Concrete Curb Ramps

- [6-10.1.....General](#)
- [6-10.2.....Setting Line and Grade](#)
- [6-10.3.....Foundation](#)
- [6-10.4.....Forms](#)
- [6-10.5.....Placing and Finishing Concrete](#)

Section 6-15 Storm Sewer

- [6-15.1.....General](#)
- [6-15.2.....Excavation](#)
- [6-15.3.....Forming Foundation](#)
- [6-15.4.....Laying Sewer](#)
- [6-15.5.....Backfilling](#)
- [6-15.6.....Clean Out](#)
- [6-15.7.....Deflection Testing for Polyethylene and Polypropylene Pipe](#)

Section 6-20 Manholes and Inlets

- [6-20.1.....Layout](#)
- [6-20.2.....Materials](#)
- [6-20.3.....Construction](#)
- [6-20.4.....Acceptance and Records](#)

Section 6-25 Marker Posts, Cable Guard Fence, and Steel Plate Beam Guard

- [6-25.1.....General](#)
- [6-25.2.....Marker Posts and Marker Posts for Right-of-Way](#)
- [6-25.3.....Steel Plate Beam Guard](#)
- [Attachment 1.....Rail Damage Examples](#)

Section 6-26 Energy Absorbing Terminals

- [6-26.1.....Energy Absorbing Terminals](#)
- [Attachment 1.....Drawing: MSKT-MGS-W Terminal](#)
- [Attachment 2.....Photos: MASH-MSKT Components](#)

Section 6-27 Crash Cushions and Sand Barrel Arrays

- [6-27.1.....Crash Cushions](#)
- [6-27.2.....Sand Barrel Arrays](#)

Section 6-30 Property Fence and Right of Way Fence

- [6-30.1.....Woven Wire Fence](#)
- [6-30.2.....Chain Link Fence](#)

Section 6-35 Maintenance and Repair of Haul Roads

- [6-35.1.....General](#)
- [6-35.2.....Administration](#)
- [6-35.3.....Alternatives to Restoration of Haul Roads by the Contractor](#)
- [6-35.4.....Non-STH System Projects](#)

Section 6-40 Landscaping

- [6-40.1.....Topsoil](#)
- [6-40.2.....Fertilizer](#)

- [6-40.3.....Seeding](#)
- [6-40.4.....Sodding](#)
- [6-40.5.....Mulching](#)
- [6-40.6..... Trees, Shrubs and Vines](#)

Section 6-45 Erosion Control

- [6-45.1..... Measures Taken Before Construction](#)
- [6-45.2..... Erosion Control Implementation Plan \(ECIP\)](#)
- [6-45.3..... Measures Taken During Construction](#)
- [6-45.4..... Mobilization of Erosion Control](#)
- [6-45.5..... Emergency Mobilization of Erosion Control](#)
- [6-45.6..... Structure Removals Over Waterways](#)
- [6-45.7..... Erosion Control Items](#)

Section 6-50 Pavement Marking and Delineation

- [6-50.1..... Materials](#)
- [6-50.2..... Equipment](#)
- [6-50.3..... Locating Pavement Markings](#)
- [6-50.4..... Application](#)
- [6-50.5..... Protection of Fresh Markings](#)
- [6-50.6..... Measurement and Payment](#)

Section 6-55 Electrical Construction

- [6-55.1..... General](#)
- [6-55.2..... Conduit](#)
- [6-55.3..... Lighting Units](#)
- [6-55.4..... Traffic Signals and Loop Detectors](#)
- [6-55.5..... Detectable Warning Fields](#)

Section 6-60 Well Construction and Borehole Abandonment

- [6-60.1..... Construction Details](#)
- [6-60.2..... Test Pumping](#)
- [6-60.3..... Sampling](#)
- [6-60.4..... Abandoning Drilled Boreholes and Wells](#)

Section 6-70 Safety Edge

- [6-70.1..... General](#)
- [6-70.2..... Measuring Safety Edge Angle](#)
- [6-70.3..... Acceptable Angles](#)
- [6-70.4..... Where Not to Install Safety Edge](#)
- [6-70.5..... Lessons Learned](#)
