

# FACILITIES DEVELOPMENT MANUAL

Wisconsin Department of Transportation

## TABLE OF CONTENTS

### Chapter 17: Railroad Coordination

#### Section 17-1 Overview

- 17-1-1 ..... General
  - 1.1 ..... Originator
  - 1.2 ..... Introduction
  - 1.3 ..... Policy Interpretation
  - 1.4 ..... Goal of Railroad Coordination
- Attachment 1.1 ..... Terms And Abbreviations
- 17-1-5 ..... The WisDOT/Railroad Partnership
- 17-1-10 ..... The WisDOT/OCR Partnership
  - 10.1 ..... Introduction
  - 10.2 ..... OCR Powers

#### Section 17-5 Background

- 17-5-1 ..... Sources and Types of Railroad Projects
  - 1.1 ..... Improvement Projects
  - 1.2 ..... Other Projects
  - 1.3 ..... Railroad Status Report
- Attachment 1.1 ..... Railroad-Highway Projects, Status Report Flow Chart
- 17-5-5 ..... Relevant Statutes
  - 5.1 ..... Introduction
  - 5.2 ..... Legislation
  - 5.3 ..... OCR Regulatory Activities
- 17-5-10 ..... Negotiating Guidelines
- 17-5-15 ..... Manuals and Textbooks
  - 15.1 ..... Manuals
  - 15.2 ..... Textbooks
- 17-5-20 ..... Data Sources
  - 20.1 ..... Introduction
  - 20.2 ..... Background
  - 20.3 ..... WisDOT Railroad Data File

#### Section 17-10 Agency Responsibilities

- 17-10-1 ..... Role of the Region Railroad Coordinator
  - 1.1 ..... Position Summary
- 17-10-5 ..... Role of Project Managers
  - 5.1 ..... Overview
- 17-10-7 ..... Role of Local Program Management Consultant
  - 7.1 ..... Introduction
  - 7.2 ..... Pre-Design Contract Activities
  - 7.3 ..... Design Contract Activities
  - 7.4 ..... Post Design Activities
- 17-10-10 ..... WisDOT
  - 10.1 ..... Railroads and Harbors Section
  - 10.2 ..... Transportation Regions
  - 10.3 ..... Engineering Consultants
  - 10.4 ..... Local Officials
  - 10.5 ..... Summary Note
- Attachment 10.1 ..... Principal Offices Involved With Railroad-Highway Projects
- 17-10-15 ..... Office of the Commissioner of Railroads

- [15.1.....Background](#)
  - [15.2.....Office of the Commissioner of Railroads \(OCR\)](#)
  - [15.3.....WisDOT Role](#)
  - [15.4.....OCR Hearings](#)
  - [Attachment 15.1....Preparation for Hearings](#)
  - [Attachment 15.2....Example Testimony](#)
- [17-10-20 .....Railroads](#)
  - [20.1.....Personnel](#)
  - [20.2.....Maps](#)
  - [20.3.....Background](#)
  - [20.4.....Work Arrangements](#)
  - [20.5.....Maintenance](#)
  - [Attachment 20.1....Legal Names of Railroad Companies Operating In Wisconsin](#)
- [17-10-25 .....Federal Agencies](#)
  - [25.1.....FHWA \(Federal Highway Administration\)](#)
  - [25.2.....FRA \(Federal Railroad Administration\)](#)
  - [25.3.....STB \(Surface Transportation Board\)](#)
  - [25.4.....NTSB \(National Transportation Safety Board\)](#)
- [17-10-30 .....Local Government](#)
  - [30.1.....Introduction](#)
  - [30.2.....Negotiations and Agreements](#)
  - [30.3.....Local Costs](#)
- [Section 17-15 Types of Programs](#)
  - [17-15-1 .....General Overview](#)
    - [1.1.....Highway Improvement Program](#)
    - [1.2.....WisDOT Safety Program](#)
    - [1.3.....OCR Safety Program](#)
    - [1.4.....STH Surface Repair](#)
    - [1.5.....Signal Maintenance](#)
- [Section 17-20 Implementing Projects](#)
  - [17-20-1 .....General](#)
    - [1.1.....Early Notification](#)
    - [1.2.....The 86:13 Letter/Notification](#)
    - [Attachment 1.1.....Process that is followed for a Highway Improvement Project with a Railroad Crossing but No Railroad Work is Anticipated](#)
    - [Attachment 1.2.....Sample 86.13 Letter](#)
  - [17-20-5 .....Project Scheduling](#)
    - [5.1.....Introduction](#)
    - [5.2.....The Master Contract Schedule](#)
    - [5.3.....The Railroad Status Report](#)
    - [5.4.....Scheduling Criteria](#)
    - [Attachment 5.1.....Estimated Minimum Lead Times For Railroad Projects](#)
  - [17-20-10 .....The Agreement](#)
    - [10.1.....Introduction](#)
    - [10.2.....Overview](#)
    - [10.3.....Railroad Project Submittal Package](#)
    - [10.4.....OCR Petition](#)
    - [10.5.....The Proposal Letter](#)
    - [10.6.....The Agreement](#)
    - [10.7.....Contents of the Agreement](#)
    - [10.8.....Distribution of the Agreement](#)
  - [17-20-15 .....Letter Agreements](#)
    - [Attachment 15.1.... Sample Of Letter Agreement With Railroad \(Lump Sum\)](#)
    - [Attachment 15.2.... Sample Of Letter Agreement With Railroad \(Design Approval\)](#)
    - [Attachment 15.3.... Sample Of Letter Seeking Railroad Approval of Contractor Work](#)
    - [Attachment 15.4.... Sample Of Letter Proposing WisDOT Work in Track Zone in Exchange for Railroad](#)

Providing Flagging Protection

[Attachment 15.5](#).....Sample Of Letter Proposing WisDOT Remove and Restore a Little-Used Track Crossing  
[17-20-20](#).....Detours and Haul Roads  
     [20.1](#).....General  
     [20.2](#).....Detour Options  
     [20.3](#).....Isolated Crossings on Safety Projects  
     [20.4](#).....Highway Improvement Projects

**Section 17-25 Active Warning Device Projects**

[17-25-1](#).....General  
     [1.1](#).....Background  
     [1.2](#).....General  
     [1.3](#).....Process  
     [1.4](#).....Lead Times  
     [Attachment 1.1](#).....Sample Agreement for Highway-Railroad Grade Crossing Warning Devices  
     [Attachment 1.2](#).....Railroad Crossing Report Form, DT 1589  
[17-25-5](#).....Highway Improvement Projects  
     [5.1](#).....Introduction  
     [5.2](#).....Lead Times  
     [5.3](#).....Process  
     [Attachment 5.1](#).....Process that is followed for a Highway Improvement Project with an At Grade Railroad Component  
[17-25-10](#).....WisDOT Safety Projects  
     [10.1](#).....Introduction  
     [10.2](#).....General  
     [10.3](#).....OCR Involvement  
     [Attachment 10.1](#).....Process that is followed for a WisDOT Railroad Safety Project (RR Force Work Component)  
[17-25-15](#).....OCR Safety Projects  
     [15.1](#).....Introduction  
     [15.2](#).....General  
     [15.3](#).....WisDOT Assistance  
     [Attachment 15.1](#).....Process that is followed for an OCR Railroad Safety Project (RR Force Work Component)

**Section 17-30 Crossing Surface Projects**

[17-30-1](#).....General - Criteria  
     [1.1](#).....Background  
     [1.2](#).....Maintenance / Repair / Refurbishing  
     [1.3](#).....Replacement  
     [1.4](#).....Improvement or Upgrade  
     [1.5](#).....Alteration of a Crossing  
     [1.6](#).....Roadway Improvement (Reconstruction and 3R) Projects  
     [1.7](#).....Roadway Maintenance (SHRM and Federal Preventive Maintenance) Projects  
     [1.8](#).....Safety Projects  
[17-30-5](#).....Highway Improvement Programs  
     [5.1](#).....General  
     [5.2](#).....Unique Agreement Provisions  
     [Attachment 5.1](#).....Sample Agreement for Highway-Railroad Grade Crossing Surface - Highway Improvement Program  
[17-30-10](#).....WisDOT Safety Project  
     [10.1](#).....Background  
     [Attachment 10.1](#).....Sample Agreement for Highway-Railroad Grade Crossing Surface - WisDOT Safety Project  
[17-30-15](#).....STH Surface Repair Program  
     [15.1](#).....Introduction  
     [15.2](#).....Process  
     [15.3](#).....Limits of Cost Participation  
     [15.4](#).....Charging Costs  
     [Attachment 15.1](#).....Process for a Crossing Repair Fund Project (No Federal Funds)

[Attachment 15.2](#)..... Sample Agreement for a Railroad Crossing Repair Fund Project

**Section 17-35 Crossing Closure and Consolidation**

- [17-35-1](#) ..... Overview
  - [1.1](#)..... Background
  - [1.2](#)..... Guidance
  - [1.3](#)..... Options
  - [1.4](#)..... Incentives
  - [1.5](#)..... Process
  - [1.6](#)..... Payment

[Attachment 1.1](#)..... Crossing Closure Incentive Payment Project Process

**Section 17-40 Separation Projects**

- [17-40-1](#) ..... Overview
  - [1.1](#)..... General
  - [1.2](#)..... Lead Times
  - [1.3](#)..... Submittals For Railroad Coordination
- [Attachment 1.1](#)..... Process When The Railroad is Willing to Sign The Stipulation
- [Attachment 1.2](#)..... Process When The Railroad is Unwilling to Sign The Stipulation
- [Attachment 1.3](#)..... Process For <23' Vertical Clearance
- [Attachment 1.4](#)..... Separated Grade Railroad Project Submittal Package
- [17-40-5](#) ..... Structure Criteria/Justification
  - [5.1](#)..... Options
  - [5.2](#)..... General Criteria
  - [5.3](#)..... Other Criteria
  - [5.4](#)..... Railroad Participation in Costs
  - [5.5](#)..... Analysis of Alternatives
  - [5.6](#)..... Selected Alternative.
- [17-40-10](#) ..... Alternatives to Structures
  - [10.1](#)..... General
  - [10.2](#)..... Create An At-Grade Crossing
  - [10.3](#)..... Highway Relocation
  - [10.4](#)..... Railroad Relocation
  - [10.5](#)..... Crossing Closure
- [17-40-15](#) ..... Bridge Replacement Program
- [17-40-20](#) ..... Structure Agreements
  - [20.1](#)..... General
  - [20.2](#)..... Stipulation Process
  - [20.3](#)..... Agreement For Railroad Force Work
  - [20.4](#)..... Structures On The Local System
- [17-40-25](#) ..... Costs/Cost Sharing
  - [25.1](#)..... Background
  - [25.2](#)..... Railroad Participation
  - [25.3](#)..... Projects on the Local System
  - [25.4](#)..... Current Practice In Cost Sharing
  - [25.5](#)..... 5 – Options-Grade Separations
  - [25.6](#)..... Summary
  - [25.7](#)..... Conclusions
- [17-40-30](#) ..... Structure On Local System
  - [30.1](#)..... General
  - [30.2](#)..... Interim Design Memo
  - [30.3](#)..... Alternative Selection
- [17-40-35](#) ..... Underpass Structures
  - [35.1](#)..... General
  - [35.2](#)..... Underpass Structures
  - [35.3](#)..... Maintaining Railroad Traffic During Underpass Construction
  - [35.4](#)..... False Work Bridge
- [Attachment 35.1](#)..... General Shoo-Fly Case

- [17-40-40](#) .....Miscellaneous Structure Provisions
  - [40.1](#).....Excessive Clearances
  - [40.2](#).....Additional Track Space
  - [40.3](#).....Crash Protection

**Section 17-45 Other Safety Funded Projects**

- [17-45-1](#) .....Railroad Stopping Lanes
- [17-45-5](#) .....Roadway Treatments at Closures
- [17-45-10](#) .....Humpback and Sag Crossings
- [17-45-15](#) .....Track Removals and Modifications
- [17-45-20](#) .....Enhancement Projects
  - [20.1](#).....Historical Preservation
  - [20.2](#).....Bike and Pedestrian Crossings
- [17-45-25](#) .....Exempt Crossings
  - [25.1](#).....Background
  - [25.2](#).....Criteria for Selection
  - [25.3](#).....Summary
  - [25.4](#).....Exempt Signing
- [Attachment 25.1](#).....Exempt Railroad Crossing Process

**Section 17-50 Contract Administration**

- [17-50-1](#) .....General
  - [1.1](#).....Introduction
  - [1.2](#).....Cost Principles
- [17-50-5](#) .....Railroad Protective Liability Insurance
  - [5.1](#).....Background
  - [5.2](#).....When to Provide Insurance
  - [5.3](#).....Leased Lines
  - [5.4](#).....Operating Rights
  - [5.5](#).....Special Provisions

**Section 17-55 Property**

- [17-55-1](#) .....General
  - [1.1](#).....Background
  - [1.2](#).....Entering Railroad Lands
  - [1.3](#).....Indemnification
- [17-55-5](#) .....Acquisitions
  - [5.1](#).....Background
- [17-55-10](#) .....Responsibilities for Acquisitions
  - [10.1](#).....Acquisition
  - [10.2](#).....Responsibility for Property Negotiations
  - [10.3](#).....What's Needed
- [17-55-15](#) .....Determining Compensation
  - [15.1](#).....Classification of Railroad Right of Way and Lands
  - [15.2](#).....Procedure for Determining Compensation
  - [15.3](#).....Easement Valuation
  - [15.4](#).....Administrative Revisions

**Section 17-60 Design Considerations**

- [17-60-1](#) .....Locating New Highway - Railroad Grade Crossings
  - [1.1](#).....Introduction
  - [1.2](#).....Location Considerations
  - [1.3](#).....Roadways Paralleling Railroads
  - [1.4](#).....Roadways Near Railroads
- [17-60-5](#) .....Grade Crossing Design
  - [5.1](#).....Surveys and Plans
  - [5.2](#).....Visibility and Sight Distances
  - [5.3](#).....Profile
  - [5.4](#).....Track Raises

- [5.5](#).....Approaches
- [5.6](#).....Welded Rails
- [5.7](#).....Drainage and Crossing Stability
- [Attachment 5.1](#).....Examples of Allowable Roadway Grade Variation
- [Attachment 5.2](#).....Runout Distance D on Approach to Track
- [17-60-10](#) .....Railroad Design Considerations
  - [10.1](#).....General
  - [10.2](#).....Clearance Considerations
  - [10.3](#).....Statutory Clearances
  - [10.4](#).....Clearances Desired by Railroad
  - [10.5](#).....Temporary Clearances
- [17-60-15](#) .....Signing at Crossings
  - [15.1](#).....Introduction
  - [15.2](#).....Railroad Crossing Signs
  - [15.3](#).....Pavement Markings
  - [15.4](#).....Stop Signs and Yield Signs
  - [15.5](#).....“Tracks Out of Service” Signs
  - [15.6](#)....."Exempt" Signs
- [17-60-20](#) .....Warning Devices and Systems
  - [20.1](#).....Introduction:
  - [20.2](#).....Train Activated Signals
  - [20.3](#).....Control Equipment
  - [20.4](#).....Placement of Signs and Signals
  - [20.5](#).....Protection of Signals
  - [Attachment 20.1](#)...Flashing Light Signals, Side of Road - Rural and Urban Roadway
- [17-60-25](#) .....Pre-emption/Interconnects
  - [25.1](#).....Preemption/Interconnection of Traffic Control Signals
- [17-60-30](#) .....Crossing Surface Types
  - [30.1](#).....General
  - [30.2](#).....Current Standard Crossing Surface
  - [30.3](#).....Selecting A Crossing Surface
- [17-60-35](#) .....Miscellaneous
  - [35.1](#).....Controlled Train Movements
  - [35.2](#).....Lighting Crossings
  - [35.3](#).....Other Safety Devices
- [17-60-40](#) .....High-Speed Passenger Rail
  - [Attachment 40.1](#)...Midwest Regional Rail Initiative, Wisconsin's Portion
- [17-60-45](#) .....Transverse Facility Crossings
  - [45.1](#).....General
  - [45.2](#).....Public Utilities vs. Highway Appurtenances
  - [45.3](#).....State vs Private Railroad Corridors
  - [45.4](#).....Installation
  - [45.5](#).....References
  - [Attachment 45.1](#)... Transverse Facility Decision Process Flow Chart
  - [Attachment 45.2](#)... Sample Railroad Notification Letter
