

DBE ALERT: for April opportunities 2022

Thank you to everyone who attended the Annual DBE Workshop & Networking Summit. There were nearly 400 registrants! We had a great turnout for the virtual workshops and in-person networking events and award ceremonies. The workshops will be available on our website soon. In the meantime check out the updates we've been making to the <u>Contracting with a DBE</u> pages and the <u>DBESS</u> (support services) pages.

We have continued efforts to make the DBE Directory and Interactive Map as accessible and useful to contractors as possible. Updates are made at least once a month, often twice monthly. We created a new document that will help you instantly identify any changes made to the Directory. See the Directory, Map, and Updates document here.

Please see the attached sub-contractable opportunities for the April letting. View the advertisement here. See upcoming solicitations here. Lots of opportunities coming up. Check the WisDOT web pages regularly for information on upcoming projects and public information meetings.

Do you need to complete the Trucking Schedule? If so, find it here.

Stay safe out there-
