

# **DBE ALERT: for December opportunities 2021**

Please see the DBE opportunities for the December letting, attached, and find the full advertisement <u>here</u>. Information on upcoming solicitations can be found <u>here</u>.

We have been working on updates to the DBE Directory and will be calling each DBE listed to confirm your primary work area and that all contact information is correct. In the meantime, you can review the <u>Directory</u> in advance of our call and let us know if we need to make any updates.

We're happy to share the latest edition of the DBE Newsletter. Check it out!

So many good things are in the works as we begin FFY 2022. I am excited to share our overall goal achievement with you for FFY 2021 and the activities in the works to increase DBE participation from all firms interested in work with the state. Stay tuned for the December e-blast. Please reach out to me at any time with ideas or feedback to help improve our program and support small businesses.
