

DBE ALERT FOR FEBRUARY OPPORTUNITIES FY 2023

Greetings,

We have been focusing on updating the DBE Directory to ensure accuracy of work types and contact information contained there. This includes making sure that DBE firms have the correct NAICS codes for performing work that is eligible for DBE credit. If you haven't already checked the <u>Directory</u> to make sure your work type and NAICS codes are correct, please check now and let your certifying agency know if you need updates. You may want to include a work area that does not appear on the Directory right now. Reach out to your certifier to request consideration for an expansion.

See this <u>page</u> for information on the February bid letting. Suggested DBE opportunities for the letting are attached. For information on upcoming solicitations see this <u>page</u>. The preview is available, and solicitation begins February 1. If you're in the SE Region and would like to join our consultant networking event on February 8th in Milwaukee with Graef and Singh, see the attached flyer and register.

The Annual DBE Workshop & Networking Summit is coming up quickly. We hope to see you March 2 & 3 in the Dells. See the <u>event website</u> for more information. We've got a lot of great workshops scheduled, including a panel that will discuss good faith effort best practices. Prime contractors must demonstrate good faith effort in order for a contract to be awarded. DBEs can benefit from knowing the types of efforts primes are required to undertake, as well as how DBEs can participate in the process and help prime contractors to successfully meet and even exceed assigned DBE goals.

There are many conferences and networking events that are hosted by multiple organizations this winter. We'll keep you posted and we're looking forward to seeing you at one of the upcoming events.

Have a great week,

Madalena

Madalena Maestri, EdD
DBE Program Chief
Disadvantaged Business Enterprise Program

Wednesday, February 8, 2023 • 4-6 pm 275 W. Wisconsin Avenue, Suite 300, Milwaukee, WI

Join GRAEF, SINGH AND WISDOT

for a networking event to meet new firms and learn about the programs and resources WisDOT offers to cultivate DBE engagement and support business development and growth.
