

DBE ALERT: for November Opportunities FY2023

Greetings,

Fall is in full force though it feels like spring is in the air! I hope you've all gotten to experience at least a bit of the nice weather we have here in southwestern Wisconsin.

There are 65 construction projects with federal funds in the November letting so we know those of you submitting quotes are very busy! See the advertisement <u>here</u>. If you're looking for consultant opportunities check the <u>solicitation</u> page. Please help us welcome the new Consultant Services Section Chief, Brian Porter. Aeronautics opportunities can be found <u>here</u>, and Transit <u>here</u>.

The DBE Program has a team update- we are very pleased to introduce you to Benjie Hayek, the new DBE Program Engineer. You may know Benjie from her previous work in construction and consulting in private and state sectors. Stay tuned for a spotlight on Benjie in the upcoming quarterly DBE newsletter.

If you are unfamiliar with the resources provided on our website, please take a moment to check them out:

- DBE Support Services: <u>Wisconsin Department of Transportation WisDOT DBE Support Services</u> (wisconsindot.gov)
- Information for certified firms: <u>Wisconsin Department of Transportation Unified Certification</u> <u>Program (UCP) DBE certified firms (wisconsindot.gov)</u>
- Contracting information including Good Faith Effort tools, ASP-3 guidelines, FAQ, monthly updates: Wisconsin Department of Transportation Contracting with a DBE (wisconsindot.gov)

Did you know that the <u>quarterly DBE newsletter</u>, monthly <u>eblasts to DBEs</u>, and monthly eblasts to <u>public</u> <u>meeting</u> recordings are posted online too? They are!

Our team is here for you- any questions, comments, suggestions to help make the program more effective- let us know. You can find our team contact info <u>here</u>.

Have a great week-

Madalena

Madalena Maestri, EdD DBE Program Chief Disadvantaged Business Enterprise Program
