Dear Secretary Thompson:

The Federal Highway Administration (FHWA) has worked to ensure that every State has an Americans with Disabilities Act (ADA) Transition Plan (Plan) that meets the minimum regulatory requirements under 28 Code of Federal Regulations (CFR) §35.150(d). The Wisconsin Division reviewed the latest update of the Wisconsin Department of Transportation's (WisDOT) Plan submitted on October 11, 2023 (enclosed) and on February 27, 2024, determined that the Plan substantially meets regulatory minimum requirements as submitted. This letter confirms WisDOT's Plan is *accepted*.

The Division's Civil Rights Program Manager, Madalena Maestri, is available to answer any questions you or your staff may have. Madalena can be reached at (608) 829-7512, or by email at madalena.maestri@dot.gov.

Sincerely,

Glenn D. Fulkerson
Division Administrator
