- Additional materials (NOIs, resumes, projects, etc.) **will** be accepted.
- You may arrive 15 minutes early to set up.
- Please bring HDMI compatible equipment including laptop and a 10ft HDMI cord to use the room’s TV screen or bring your own screen.
- Questions should be directed to Brenda.Schoenfeld@dot.wi.gov; no other WisDOT employee may be contacted.

Questions

Please be prepared to answer the following questions in order provided during your interview:

- 1) Railroad infrastructure (track, structure, and station) design and project management - What are your team’s qualifications from the past 10 years, capacity to deliver over the 1-1.5 years, and strategies for success on this project?
- 2) Please discuss your team’s experience with estimating; construction scheduling; staging, and strategies for success on this project?
- 3) Identify previous experience where you had to integrate corridor management and design tasks with multiple stakeholders. What challenges did you encounter, and how did you overcome them to be successful?
- 4) Explain your team’s experience working directly with Class 1 railroads, Federal Rail Administration, and Amtrak.
- 5) Please discuss your interest and capabilities and why your team will be successful if selected.
