

WISCONSIN DEPARTMENT OF TRANSPORTATION
August 2022 Solicitation

Interview Notification Letter

Two firms have been selected to be interviewed for solicitation SE-06:

Project ID: 1229-04-75
IH 43
Ozaukee County

All interviews will take place on August 30, 2022 via Microsoft TEAMS. Please restrict your team to a maximum of 5.

Table with 2 columns: Time, Firm. Rows include 1:30 pm (I-43 CM Partners) and 2:20 pm (43 Modernization Partners).

- This 35-minute interview includes both the 30-minute presentation and the 5-minute question/answer session.
• Provide six copies of the presentation at the beginning of the interview and email a PDF copy to consultant.services@dot.wi.gov.
• Additional materials (NOIs, resumes, projects, etc.) will be accepted.
• You may arrive 10 minutes early to set up.
• Please bring HDMI compatible equipment including laptop and a 10ft HDMI cord to use the room’s TV screen.
• Questions should be directed to DOT Consultant Services at consultant.services@dot.wi.gov; no other WisDOT or municipal employee may be contacted.

Questions

Please be prepared to answer the following questions in order provided during your interview:

- 1) Construction Inspection for Freeway Reconstruction Projects - What are your team’s qualifications with interstate work, capacity to deliver over the duration of the project and strategies for success on this project?
2) Interface with Project Manager, other WisDOT Staff and Project Controls staff - What is your team’s approach to coordinating with WisDOT and Project Controls staff?
3) Construction Traffic Control (including nightwork) and Traffic Coordination - What are your team’s experience from past construction projects, capacity to deliver and strategies for success on this project?
4) Conflict Resolution – Please detail an experience where your team mitigated a high-risk issue in construction and how it was resolved.
5) Innovation - What has your team applied in the past and what potential innovations could your team apply to improve efficiency, effectiveness, and/or quality for this project? Please provide details (scope; Department savings of cost and/or time) as well as noting those ideas not implemented
