

INSTRUCTIONS

Tax questions, call (608) 261-7694; questions regarding registration, call (608) 266-9657

All aircraft based in Wisconsin must be registered with the Wisconsin Department of Transportation. See exemptions below.

FAA "N" NUMBER: Write in the FAA assigned "N" number in the box labeled "FAA NUMBER".

SECTION A

Owner(s): List the complete legal name and address of the purchasing owner, builder, etc. List daytime telephone number where you can be reached between 7:00 a.m. – 4:00 p.m.

SECTION B

Aircraft Make: Use designer or kit producer name for amateur builds.

Gross Weight: Show the gross weight of the aircraft. s. 114.002(14) Wis. Stats.

"Gross weight" means the gross or maximum takeoff weight for an aircraft make and model as designated by the manufacturer.

Engines/Burners: Use number of burners for balloons. Also, include sustainer engines on sailplanes.

Power Type: Use "other" for balloons.

Date: The latest of the four dates determines when registration fee calculation starts.

SECTION C

REGISTRATION

-OR-

EXEMPTION

Initial Wisconsin: A new or used aircraft not previously registered in Wisconsin. Fee = **see Schedule below**

Restored: If previously held on unairworthy exemption, fees prorated for remainder of registration period. Fee = **see Schedule below**

Transfer: Aircraft registered in Wisconsin. Transfer Fee = \$5.00

Amateur Built: To be registered at time of completion or purchase by new owner(s). Amateur Built Fee = \$50 one time per owner

Antique: Aircraft manufactured 1955 or earlier. Used solely for recreation or display. Antique Fee = \$50 one time per owner

Unairworthy: Aircraft severely damaged or in a state of major deterioration. Complete the application in full, including section H. Upon determination that the aircraft qualifies as unairworthy, an unairworthy aircraft certificate will be issued expiring upon sale of aircraft or restoration. If the aircraft is sold in an unrestored condition, the new owner must apply for exemption. Exemption Fee = \$10.00

Incomplete Amateur Built: If your home built is not complete and an FAA "N" has been issued, complete sections A, B, C, D, F and G. Registration Fee = None until aircraft is airworthy. All taxes are due. Contact the Department of Revenue with questions regarding tax at (608) 261-7694.

Municipal: State, county or local government aircraft and Civil Air Patrol Municipal Fee = \$5.00

Museum Aircraft: Aircraft held by a museum qualified as tax exempt under section 501 of the IRS code. (Flown to and from displays only.)

SECTION E FEE COMPUTATION

Registration Fee: Registration is due on the date of purchase, entry into Wisconsin, construction completion or restoration.

Registration fees may be prorated from the appropriate date by using the schedule below. After initial registration, annual/biennial renewal fees are due on November 1. A renewal notice will be sent to the registered owner prior to that date.

Penalty Fee: Application for registration shall be filed within 30 days from the date of purchase, restoration, completed construction or entry of the aircraft into this state. If filed after 30 days, an administrative fee of \$5.00 will be charged.

An aircraft which is registered in this state and sold within this state shall be transferred to the name of the purchaser upon application by the purchaser and upon payment of a \$5.00 fee to the department. Application for transfer of registration shall be filed on the date purchase. An additional administrative fee of \$10.00 shall be charged on all applications filed later than 30 days after the purchase date.

* **Biennial Registration:** Aircraft with a gross weight of 2000, 2500, and 3000 pounds will register every other year. Registration will be valid for 2 years and expires October 31, of even numbered years.
