Project Location

Project Information

- WisDOT proposing to reconstruct the intersection of WIS 23 with WIS 73/Pye Alley Road east of Princeton
- Limits – 0.25 miles west of WIS 73 intersection to 0.25 miles east of WIS 73 intersection
- Purpose and Need
 - Intersection identified as a safety concern based on recent crash data
 - Lack of a dedicated left turn lane on WIS 23 appears to create a hazardous situation for motorists turning left from WIS 23 onto WIS 73

Project Information

- Proposed Improvement
 - Widen the south side of WIS 23 to add left turn lanes to improve the safety of the intersection

Proposed Traffic Impacts

- Roadways to remain open to traffic during construction using flagging operations
- Short term closures at intersection possible
- Some delays likely
- Local and emergency access will be maintained

Real Estate

- Majority of work will occur within existing highway right-of-way
- Some right-of-way acquisition required along south side of WIS 23 from 3 parcels
- Temporary easement required from 1 parcel
- Acquisition process
 - WisDOT will acquire real estate
 - Real Estate staff will coordinate with property owners
 - Acquisition expected to begin in mid 2022
- Landowner rights information available on the project website
