## Proposed Project Scope/Need

- Project ID 4075-41-00 runs for approximately 1.5 miles from Cleary Court to Tower View Drive in the Town of Greenville and Village of Greenville
- Deteriorating pavement and outdated guardrail need repair

# WIS 96

## Proposed Project Scope/Need

# WIS 96

## Proposed Improvements

- Resurface level improvement: mill and overlay within existing pavement footprint
- Beam guard replacements
- Culvert extension – 1 location
- Shoulder aggregate
- Pavement markings
- Pavement repairs
- Replacement of traffic signal loop detectors
- No real estate is anticipated for the project at this time

# WIS 96

## Traffic Control

- Majority of work expected to take place under flagging operations with single lane closures
- Road will remain open to traffic during construction for the majority of the project with the following exceptions:
  - Short term detours of WIS 96 and WIS 76 will be needed to complete pavement repair work
    - Detour routes to be determined

# WIS 96

## Schedule

- Additional public outreach will take place in summer of 2022 to provide updates on final design
- Design is on-going and will continue through fall of 2023
- Construction is tentatively scheduled for 2024
