

WIS 105 Resurfacing Project

Village of Oliver to the city of Superior

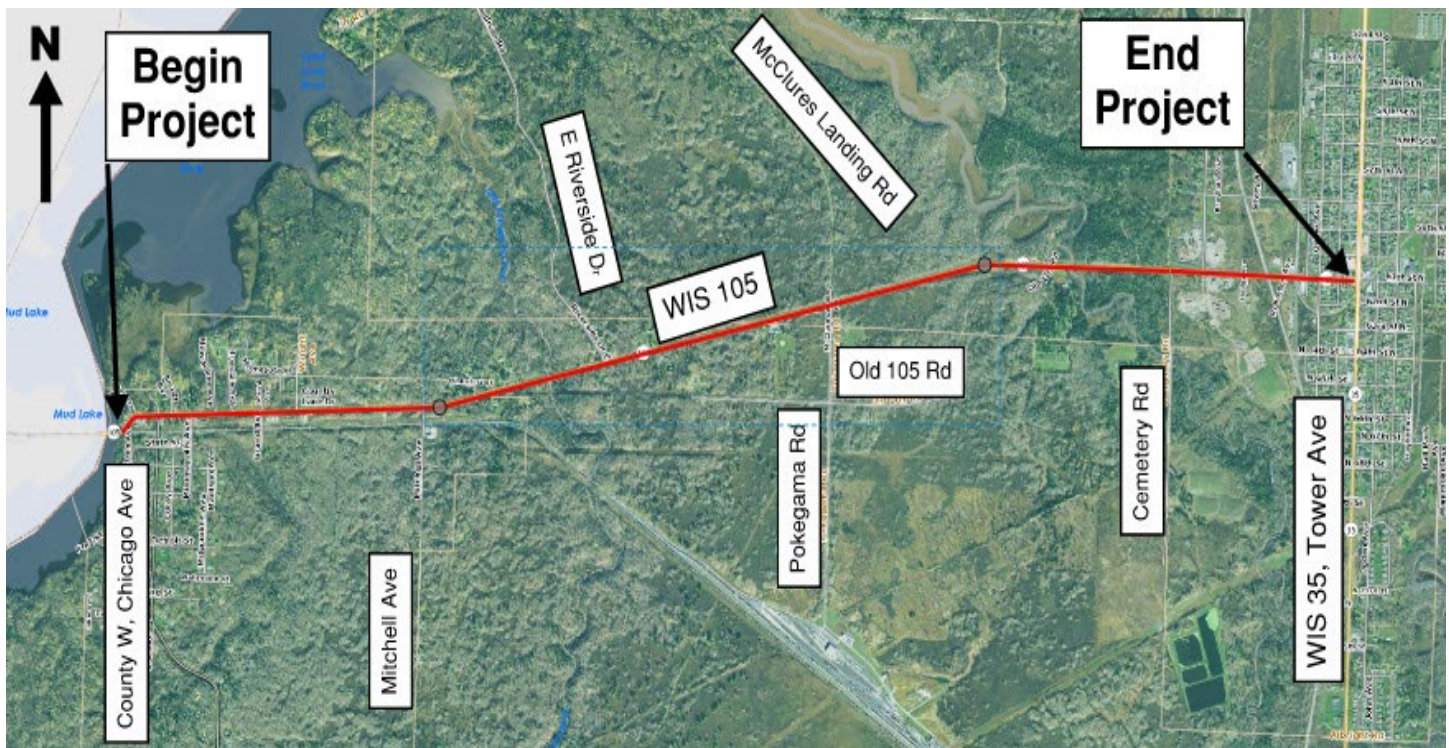

January 2023

The Wisconsin Department of Transportation (WisDOT) is in the process of preliminary design investigation for a proposed roadway improvement of WIS 105 from the village of Oliver to the city of Superior.

Construction is expected to start in August 2024.

| Potential work includes: | Timeframe expected: |
|---|-----------------------------------|
| Repairing road core failure areas. | Late August 2024 to November 2024 |
| Repairing select roadway culverts. | Fall 2024 and spring/summer 2025 |
| Updating pedestrian curb ramps to Americans With Disabilities Act guidelines in the city of Superior. | Spring/summer 2025 |
| Making curb and gutter repairs in the village of Oliver. | Spring/summer 2025 |
| Milling and resurfacing parking lanes with asphalt in the city of Superior | Spring/summer 2025 |
| Milling and repaving the existing WIS 105 pavement. | Spring/summer 2025 |

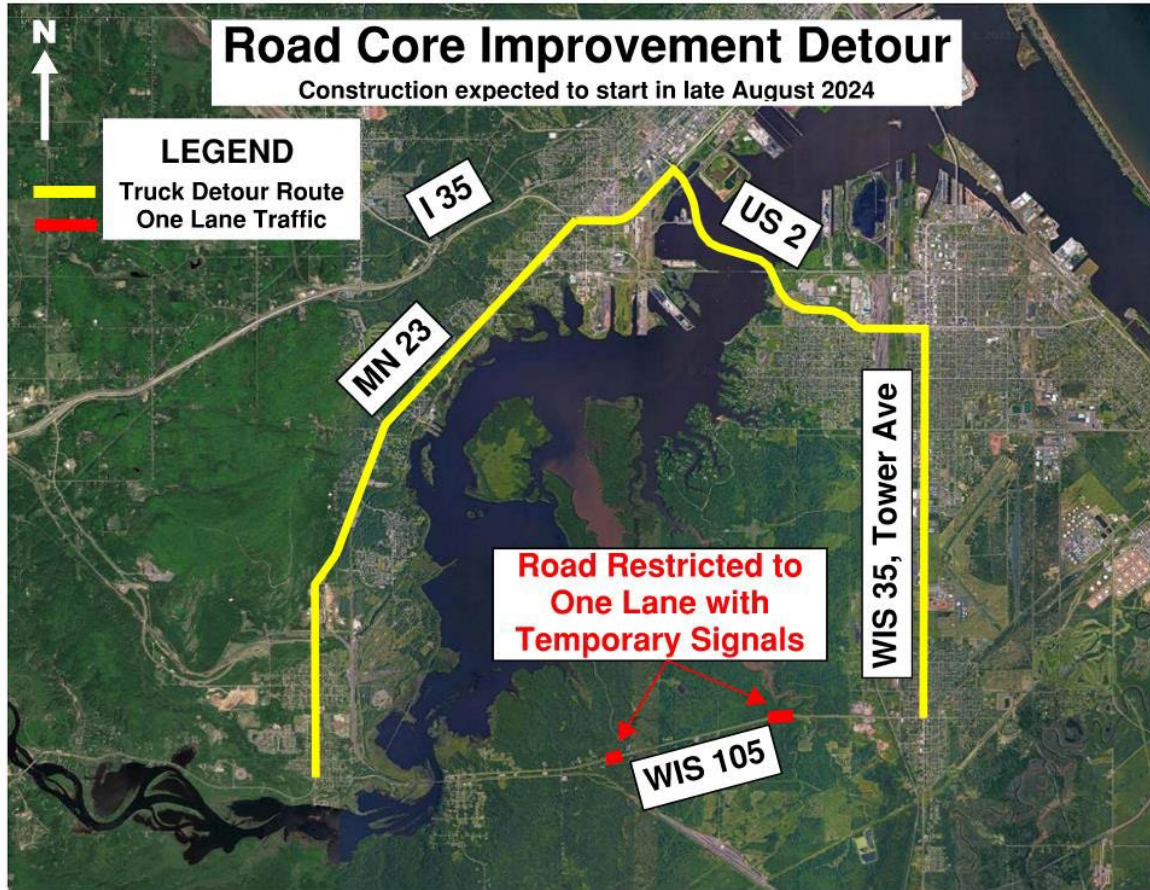

WIS 105 Resurfacing Project

Village of Oliver to the city of Superior

April 2023

The road core repairs would require temporary lane closures for passenger vehicles and busses and a detour for trucks. Construction for these locations is expected from late August 2024 to November 2024. The following truck detour would be in place during these closures:

- WIS 35, US 2, I-35 and MN 23
