

Fall 2022

WisDOT Project ID: 7105-00-04/74
 Pierce/Dunn County line to WIS 25
 WIS 72
 Dunn County

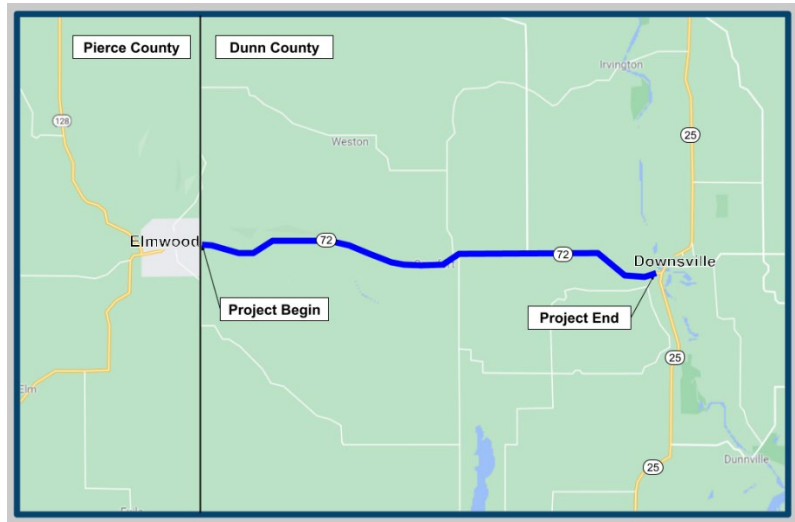

The Wisconsin Department of Transportation (WisDOT) is in the process of gathering public input on a proposed improvement along WIS 72 between the Pierce/Dunn County line and WIS 25. We invite you to review the information contained here or on the project website at: <https://wisconsin.gov/Pages/projects/by-region/nw/wis72dunnco/default.aspx>. Comments received will be documented in the environmental review process. The WisDOT project team appreciates your participation and comments.

Project Description

The project is on WIS 72 and begins at the Pierce/Dunn County line and extends east 10.15 miles to WIS 25. The project is needed to preserve the aged roadway surface and structures along the corridor. The preferred project alternative consists of:

- Milling and overlaying the asphalt pavement.
- Replacing guardrail.
- Making structural repairs on various bridges and culverts throughout the project.

Construction currently is scheduled for the summer of 2026.

Proposed Traffic Impacts

WIS 72 will remain open to traffic during construction by utilizing flagging operations during milling and paving operations. Temporary signals or single-lane closures will be utilized at structures where work is proposed.

Schedule

Preliminary design began.....Winter 2021
 Plans, specifications and estimate submittal.....May 2025
 Bid solicitation.....September 2025
 Construction start.....Summer 2026

Public Comment

Please share your thoughts about this proposed project. To learn more and provide comments, visit the project page listed above or feel free to contact the project team at the following by Nov. 18, 2022.
