

I-41 Zoo Freeway BURLEIGH STREET to SILVER SPRING DRIVE

Project Overview

WisDOT is planning to rehabilitate 3.5 miles of I-41 between Burleigh Street and Silver Spring Drive in Milwaukee County. The project proposes to resurface the pavement, add auxiliary lanes and improve 13 bridges along I-41.

CURRENT PROJECT PHASE

WisDOT is currently conducting an environmental analysis to evaluate improvements to I-41 and developing design plans. Your comments will be considered as WisDOT completes the environmental review of the project and advances the design plans.

PROJECT TIMELINE

The schedule is tentative and may be modified based on available funding and coordination with the railroad.
