

I-39

**Lien Rd to US 51
Dane County**

Public Involvement Meeting

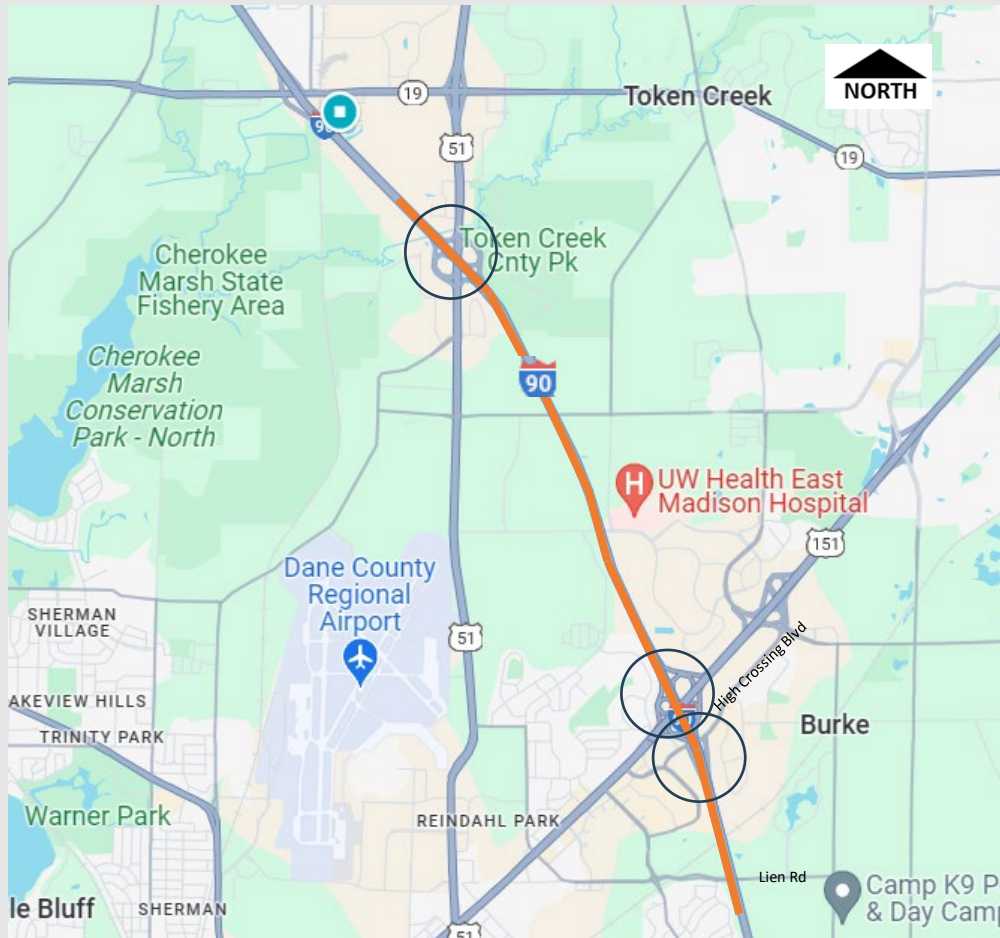

Thursday, February 29th, 2024

Presentation outline

- I-39 corridor overview
- Project needs and proposed improvements
- Current anticipated construction impacts
- Timeline for project delivery
- Next steps

I-39 corridor overview

- 5.5 miles
- Lien Rd to US 51
- Three Interchanges
 - US 51
 - US 151
 - High Crossing Boulevard

Project Needs and Proposed Improvements

- Address existing safety conditions
 - Roadway deficiencies
 - Mainline deterioration/cracking/rutting
 - Asphalt shoulders on ramps significantly deteriorated
 - Concrete cracking at ramps
 - Non-compliant guardrail
 - Concrete deterioration on structures
 - I-39 NB bridge over Lien Road
 - I-39 SB bridge over US 51
 - Non-compliant curb ramps at High Crossing Boulevard

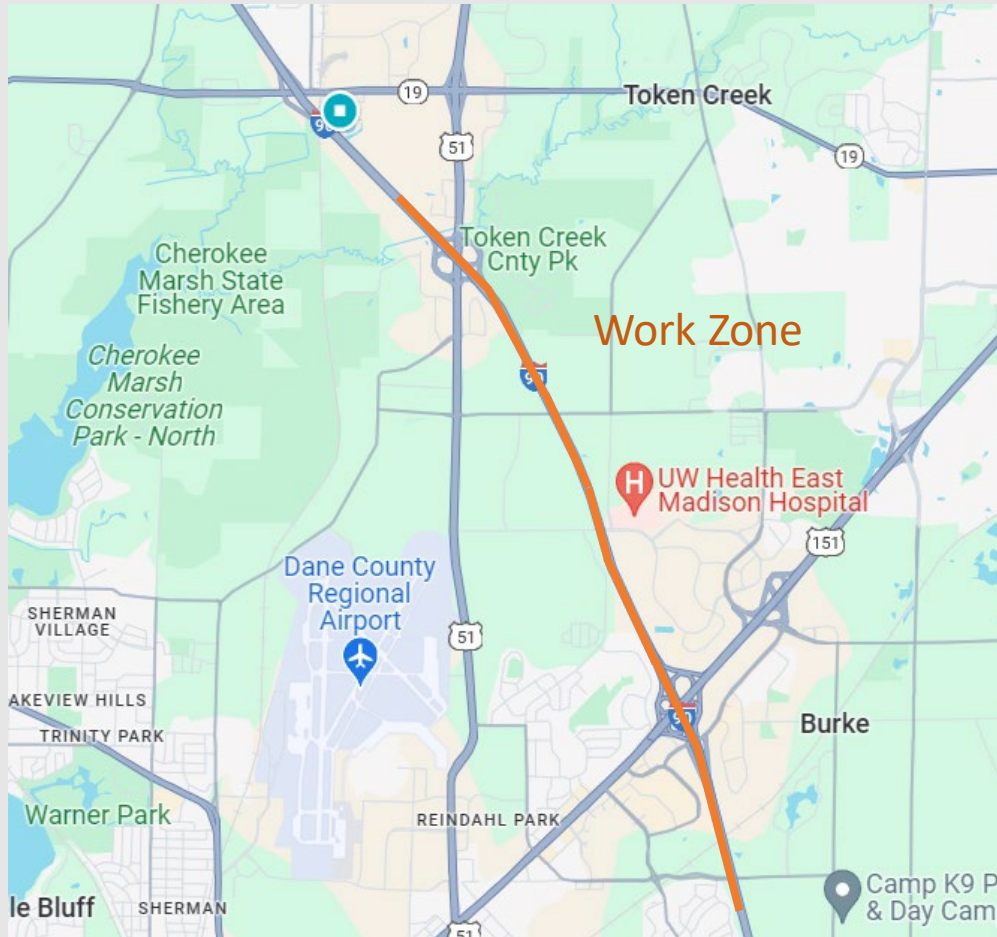

Project Needs and Proposed Improvements

- Mainline Roadway Improvements
 - Milling & resurfacing roadway
 - Guardrail repair/replacement
 - Pavement Markings
- US 51, US 151 and High Crossing Boulevard Interchange Improvements
 - Concrete repair/replacement
 - Replace existing asphalt shoulders
 - Curb ramp replacements at High Crossing Boulevard
- Concrete surface repairs
 - I-39 NB bridge over Lien Road
 - I-39 SB bridge over US 51

Current Anticipated Construction Impacts

Nighttime Lane Closures

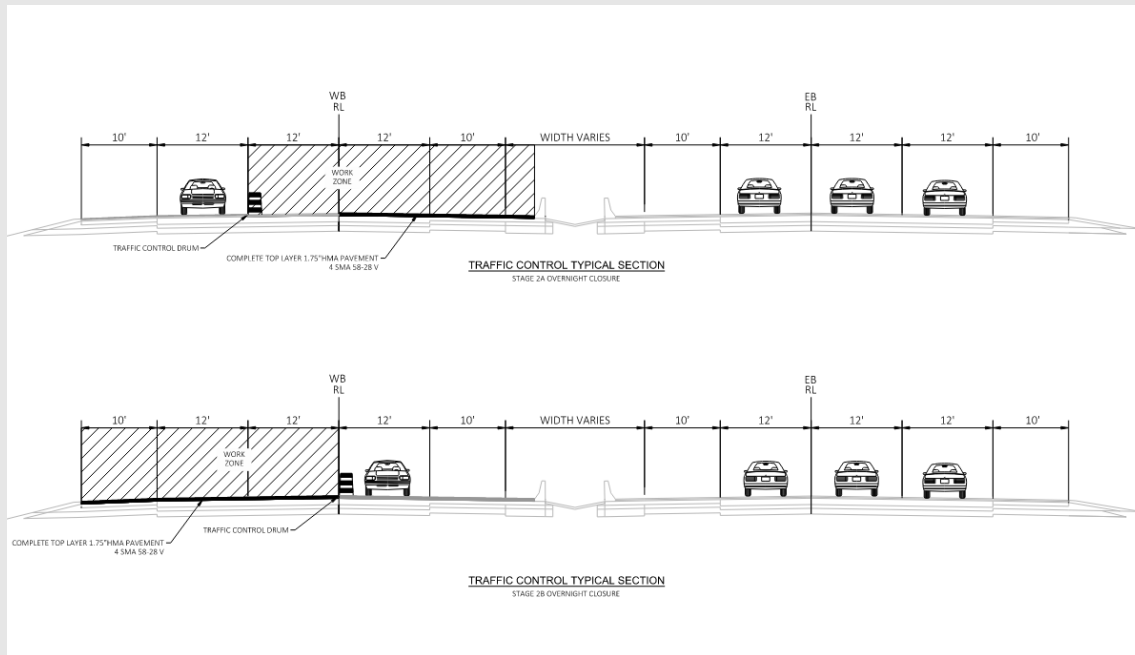

- Project will have lanes closed during nighttime off peak traffic hours
 - Traffic reduced to one lane per direction
 - Ramp closures required for repair work
 - Alt routes posted on message signs
 - Guardrail improvements may use shoulder closures
 - Motorists can expect delays
- Construction to be completed in 2026

Current Anticipated Construction Impacts

Work Zones

- Closures/work zones will be broken into 4 stages

- Stage 1: I-39 WB inside lane/shoulder
- Stage 2: I-39 WB middle/outside lane/outside shoulder
- Stage 3: I-39 EB inside lane/shoulder
- Stage 4: I-39 EB middle/outside lane/outside shoulder

Timeline for Project Delivery

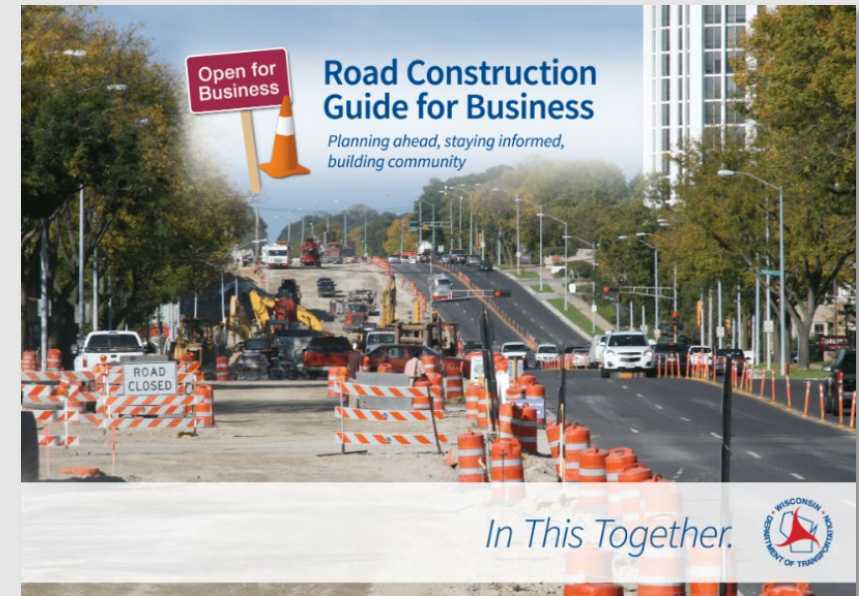

- Environmental Document Complete – April 1, 2024
- 60% Plans – May 1, 2024
- Final Plans – August 1, 2025
- Project LET – November 10, 2025
- Construction – Spring/Summer/Fall 2026

Next Steps

We're In This Together!

- Visit wisconsindot.gov/together
 - Tips, tools and resources
 - Business coordination guide
- Project team is here to help
 - What information would help you....
 - Inform customers about the project?
 - Coordinate with suppliers?
 - Communicate with employees?

Next steps

- Submit public comments by March 28th 2024
- Public will continue throughout design and construction
- Contact us with any questions or concerns:

Amy Coughlin, P.E.

WisDOT Project Manager

(608) 245-5358
