

Public Involvement

1370-00-03/73

WIS 16

Watertown - Waukesha
E Main Street to Rock River Road
Jefferson County

**Public Comment Period:
February 13 – March 10**

This handout and other items are available on the design website.

Thank you for your interest in this project, we look forward to your feedback.

Purpose

Our objective is to provide project updates since the in-person PIM held on July 13, 2022.

PROJECT LOCATION MAP

PROJECT ID 1370-00-03/73/76
 WIS 16
 EAST MAIN STREET TO ROCK RIVER RD
 EAST MAIN STREET/OAK HILL DR INTERSECTION
 JEFFERSON COUNTY

LEGEND

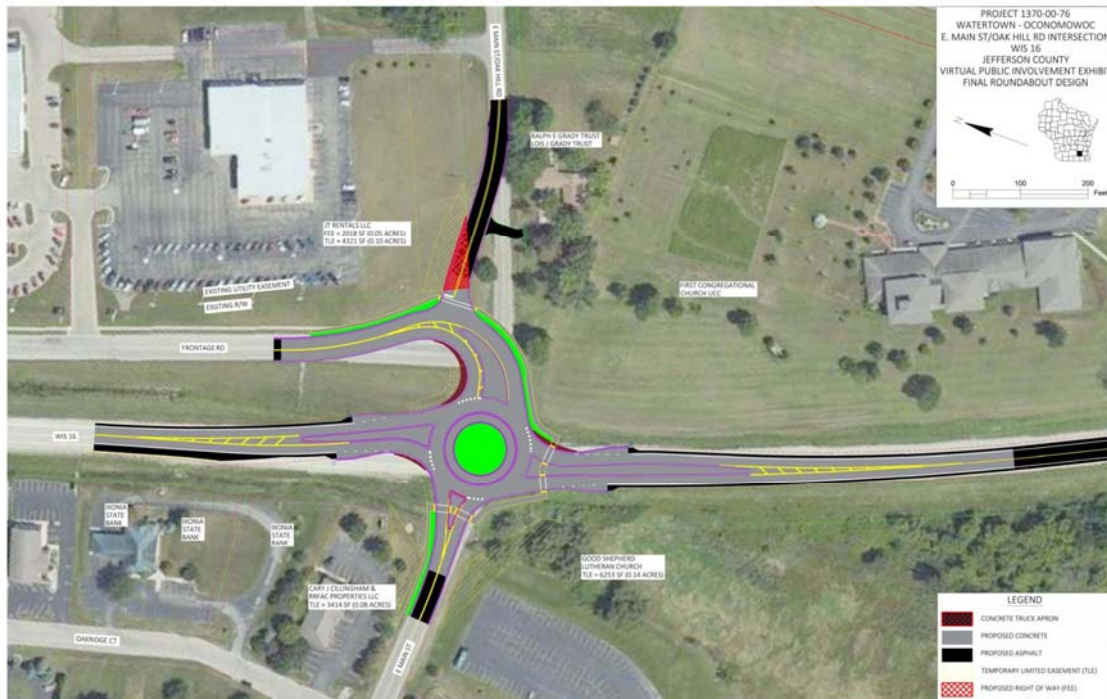

- PROPOSED ROUNDABOUT
- PROPOSED IMPROVEMENT

Project Updates

Project updates include:

- Updated roundabout layout directing the east leg onto the Frontage Road
- Selection of interchange option 3 reducing the short 2-lane segments to 1-lane with 10-foot shoulders on both sides
- Median opening located just west of Gopher Hill Road to remain in the current location
- Proposing right turn lanes at the existing intersections within the corridor

Real estate

Additional right of way will be required for this project. This will include small areas of permanent (fee) and temporary (temporary limited easement) land acquisitions to accommodate the proposed roundabout at the intersection of WIS 16 and East Main Street/Oak Hill Drive. Estimated right of way impacts are shown on the exhibits posted on the project website.

A landowner rights pamphlet is available on the project website. Real estate acquisition is expected to begin in early 2023. Direct mailings and coordination will occur with impacted property owners.

Proposed traffic impacts

The improvement project is currently scheduled for construction in 2025. WIS 16 will be closed and through traffic will be routed around the project via WIS 26, I-94, and WIS 67.

Emergency and local access to adjacent properties will be maintained during construction. Brief interruptions in access may occur temporarily at driveways. The contractor will be required to notify homeowners and businesses prior to construction.

Project update/next steps
