Purpose of the meeting

The purpose of this meeting is to gather public input and inform you about the proposed project. The meeting will be an open house format with a narrated presentation on the project website.

Project information

The Wisconsin Department of Transportation (WisDOT) is proposing to improve five miles of WIS 19 from the Crawfish River Bridge to the Gypsy Road intersection near the WIS 26 interchange, west of Watertown. Proposed improvements include resurfacing the deteriorated pavement to improve safety and operations and extend the life of the existing roadway surface.

Proposed traffic impacts

During construction, WIS 19 will be open to traffic with a flagging operation. Shoulder closures will be necessary along WIS 19 at the Crawfish River bridge for those operations.

Real estate

No real estate purchases are anticipated.

Project update/next steps

Final design plans will be completed by May 1, 2024.

Construction is scheduled to begin in 2028; however, the project is advanceable to 2025 if funding becomes available.

Public input/comments

We encourage you to talk to the project representatives and ask them questions. Attached to this handout is a sheet for your written comments and input regarding the proposed project. Please mail any written comments about the project before April 15th or leave them in the comment box tonight. You can also e-mail your comments to the contacts listed below.

Your comments assist us in developing a project that will serve the needs of the traveling public as well as the needs of the local community. Your input is welcome and appreciated throughout the design process.
