

WIS 60 Dodge County

Project ID 3042-01-32/62

Lowell to Hartford; WIS 67 to Washington Co. Line

Virtual Public Involvement Meeting

April 2022

Who can I talk to about this project?

- Matthew Lamb, P.E.
 - WisDOT Project Manager
- Brad Groh, P.E.
 - Consultant Project Manager (JT Engineering, Inc.)

Presentation Agenda

- Project Location
- Project Purpose & Need
- Design Overview
- Traffic Impacts
- Project Schedule
- Contact Information

Why is this project needed?

Pavement Surface and Culvert Conditions

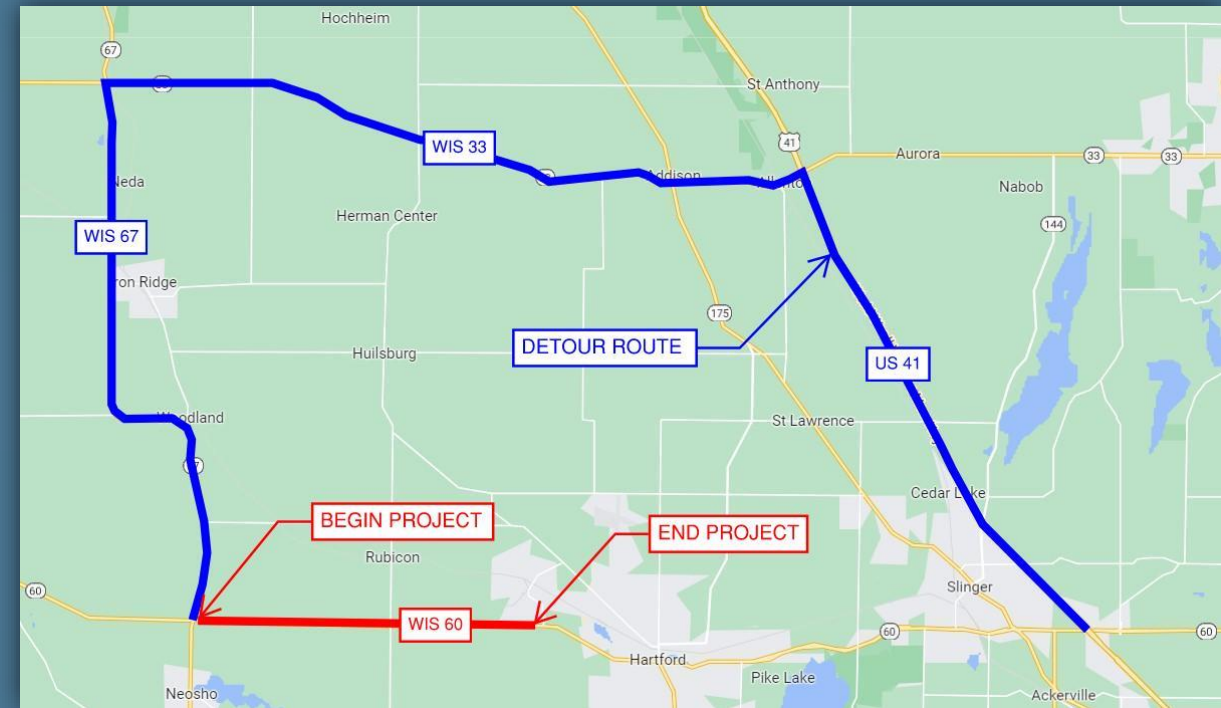

What improvements are proposed?

- Improvements include:
 - New asphalt pavement surface
 - Wet reflective pavement markings
 - Centerline and shoulder rumble strips
 - Culvert repair and replacement

What will happen to WIS 60 traffic?

- Detour will be necessary during:
 - Asphalt milling and paving
 - Pavement marking application
 - Culvert replacement
- Access will be maintained for residents
