

# **WIS 81**

## **School Street to County Y, Cassville**

### **Grant County**

# **Wisconsin Department of Transportation**

Public Involvement Meeting Presentation

**August 9, 2021**

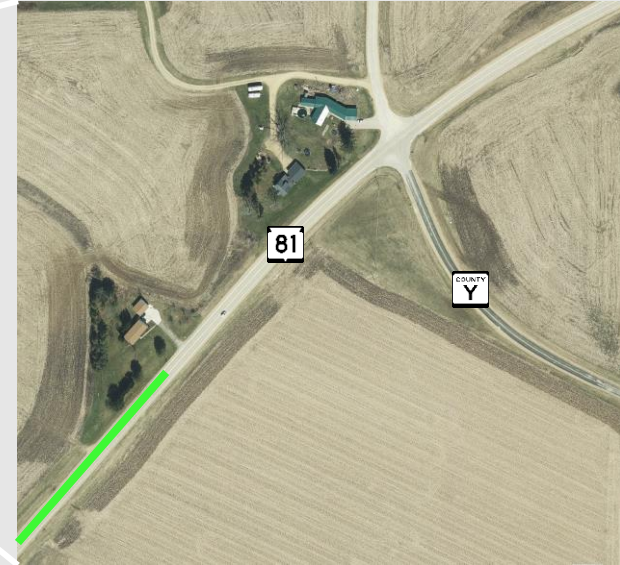

# Presentation Agenda

- Project Limits
- Project Purpose and Need
- Design Overview
- Traffic Impacts
- Upcoming Schedule
- Contact Information

# Project Limits

# Why Do We Need This Project?

## Pavement Condition

The roadway surface on WIS 81 is starting to deteriorate. This project will extend the pavement life, reduce maintenance costs, and prevent a more costly project from becoming necessary.

# Why Do We Need This Project?

## Substandard Guardrail

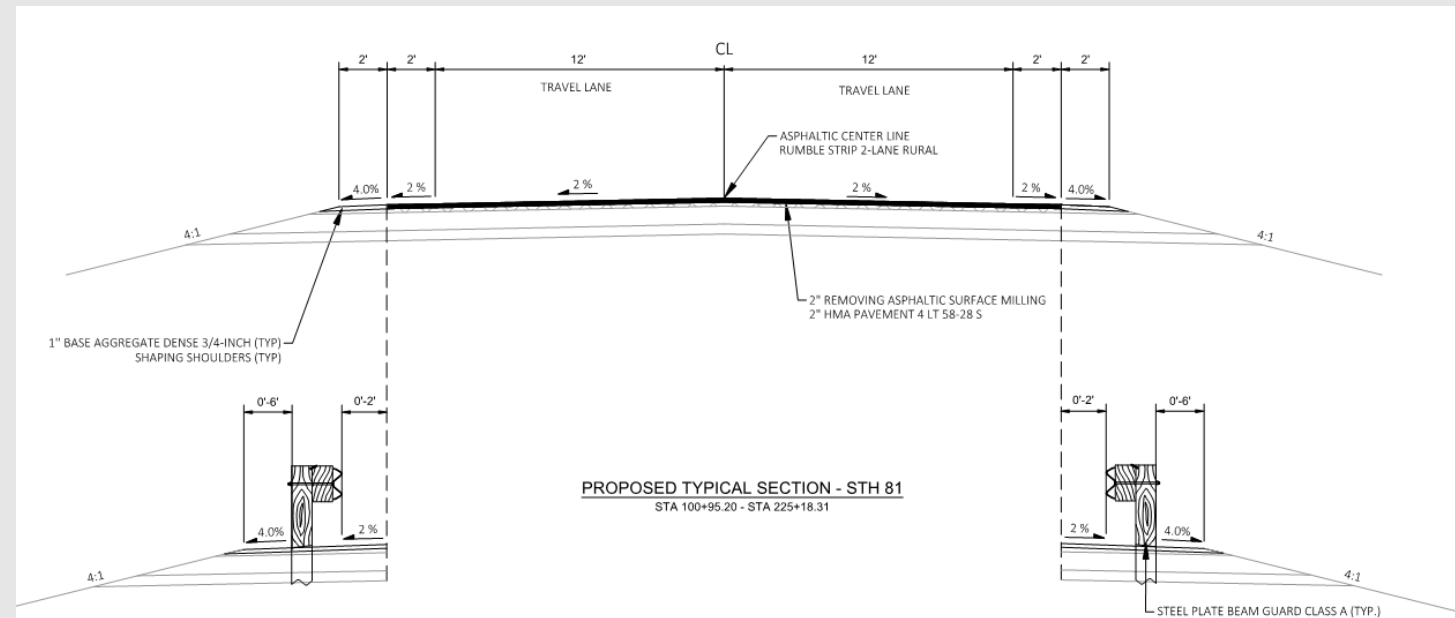

The guardrail is substandard and will not protect a driver from a head-on collision, such as vehicles crossing over the opposing travel lane.

# What Improvements Are Proposed?

## Design Overview

- Pavement
  - Milling - 2 Inches
  - Paving – 2 Inches
- Upgrade Guardrail
- Pavement Marking
- Centerline Rumble Strips

# How Will Travel Be Affected?

## Proposed Traffic Control

- WIS 81 will remain open
- Traffic will be maintained through flagging operations
- Access to residences and businesses will be maintained throughout construction

# What is Next?

- Final Plans Completed November 2022
- Construction (Advanceable) Summer 2023
- Construction as Scheduled Summer 2028

# Thank you for your time!

If you have any comments, questions, or concerns please send us an email, give us a call, or send us mail at
