**4. Traffic.**

*Replace paragraph one with the following:*

Maintain through traffic on STH 78 and intersecting roads during construction. Traffic may be restricted to single 16-foot wide minimum clear roadway with a flagging operation during working hours. Limit the single lane restriction to a single continuous length not exceeding 2.0 miles. Utilize traffic control and flaggers according to the standard detail drawing entitled "Traffic Control for Lane Closure With Flagging Operation" for all construction occurring under one lane of traffic. No work shall be allowed on the opposing side of the roadway in a flagged section. When multiple contractors are working on site, the flagging operations shall be separated by a minimum of 2 miles.
